For Immediate Release

Back Yard Debris Burning will reopen on Tuesday, October 5, 2021, for the Central Oregon Coast Fire & Rescue District

Backyard debris burning in the Central Oregon Coast Fire & Rescue District will reopen beginning on Tuesday, October 5, 2021.

Residents are required to have a permit to burn yard debris. We have an online burn permit process. The link to sign up for a burn permit is available on our website at <https://www.centralcoastfire.net/burn-permit>.

We thank the public for exercising caution during our dry summer. We ask everyone to be fire safe and courteous to your neighbors when burning yard debris. Please call us if you have any questions.

Jamie Mason, Fire Chief
Central Oregon Coast Fire & Rescue
